Serial No. 1

From. The Deputy Commissioner, Mysore District.

Letter No D. No. 798/36-37 Dated 3-10-1936.

States that he has issued instructions to the Amildar, Mandya Taluk that Water rate in the Irwin Canal area need not be taken into account for reasons explained for Compiling the Voters' list and solicits instructions whether the action taken by him is Correct.

1) On another Reference received from the Deputy Commissioner Mysore District, Circular instructions were issued in this office letter No. 207/R.A. dated 25th September 1936 that permanent water rate should be construed as coming under the definitions of the term "Land Revenue" entitling the person who pays it to be included in the Voters lists.

2) The present reference pertains to the question whether the levy of water rate on lands under Irwin Canal has also to be taken into Consideration in preparing the Voters' lists, in view of the fact that the Sliding scale has not reached the permanent rate and that Water rate Khata which has not yet been merged in Revenue Khata, is being written up according to Amildar's list. The Deputy Commissioner has however issued instructions that the same need not be taken into account and he seeks instructions information as to whether the action taken by him is Correct.

Submitted for orders.

Returned with compliments.

I beg to invite reference to the opinion given by me in File No. U.O.32/36-37. I have stated therein that temporary water rate should not be taken into account for purposes of determining the question of eligibility to be included in the Voters' List. My reason for that view is that it is only after permanent water-rate is given that the demand becomes a normal demand. So long as it remains on a temporary basis, it is liable to be terminated in any year. Once permanent water rate is given there will be payable on the concerned land permanent dry assessment plus water-

Serial No.

water-rate, which will be consolidated at as early a date as possible by the Survey Department.

So far as the case of the Irwin Canal lands are concerned, the water-rate is not on a temporary basis. The right to water has been permanently conceded to the ryots and consequently the water rate in this area will have to be taken into account in connection with the preparation of Voters' Lists. The mere fact that shraya rates are in force, will not affect the question, because the difference between the concessional rate and the full rate must be considered to have been remitted during the prescribed period.

In this view I consider that the Deputy Commissioner's opinion that the water rate in the Irwin Canal area should not be taken into account in the preparation of Voters' Lists is not correct.

A-116 No. 207/R.A. 23-36-2 Bangalore, Dated, 25th September 1936.

From B. T. Kesaviengar, Esq., B.A.,
Offg. *Chief Secretary to the Government of His Highness the Maharaja of Mysore*

To
T. G. Rama Iyer, Esq., B.A.,
Deputy Commissioner,
Mysore District.

Sir,

With reference to your letter No. D.778/36-37 dated 18th September 1936 soliciting instructions whether permanent water rate paid by a person can be construed as part of land revenue entitling him to be included in the voter's lists for the ensuing Representative Assembly and Legislative Council elections, if he possesses the requisite property qualification, I am directed to state that permanent water rate should be construed as coming under the definition of the term 'land revenue' entitling the person who pays it to be included in the voter's lists both for the Representative Assembly and Legislative Council.

I have the honor to be,
Sir,
Your most obedient servant,

To

B. T. Kesavaienger, Esq., B.A.,
Chief Secretary to the Government of Mysore,
Bangalore.

Sir,

Inclusion of persons paying permanent water rate in Representative Assembly and Legislative Council Voters' lists.

Adverting to correspondence ending with your letter No.Rl.209 dated 25th September 1936 issuing instructions in re the above, I have the honour to state that the Amildar, Mandya Taluk, reported that there are practical difficulties if the levy of water rate on lands under the Irwin Canal is also to be taken into consideration in preparing the voters' lists for Representative Assembly and Legislative Council. I have issued orders to the Amildar, Mandya Taluk, that water rate in the Irwin Canal area need not be taken into account in view of the fact that the sliding scale has not reached the permanent rate and that water rate khate which has not yet merged in revenue khate is being written up according to anubhavadars' list, and that as per rules only registered occupants are qualified to be entered as voters. As the compilation of voters' lists could not be put off, I have, in anticipation of approval of Government, issued orders. I request to be informed whether my action is correct.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District.
